

# **Summer Village of Birch Cove**

## **Wind Row and Sanding Policy**

**#2-11**

**Approved by Council February 28, 2011**

### **Policy Statement**

The Summer Village of Birch Cove would like to make a formal statement as to the intent of winter roadway snow clearing and sanding.

### **Reason for Policy**

The Summer Village of Birch Cove currently contracts onto Barrhead County for winter snow plowing and sanding. After the grader goes through the Village they leave a wind row or grader pile in front of all the driveways in the Village. It is the policy of the Summer Village that they do not clear or remove these wind rows or grader piles. This will remain the responsibility of each property owner. Sanding will occur at all intersections, however will not include the road leading from Spruce Road to the Community Centre.

### **Related Information**

The Summer Village of Birch Cove has a legislated commitment to clear winter snow from all public roadways in the Village during winter months.

This Policy is to become effective February 28, 2011
